We are recognised as a world leader in Music classes for young children.

Classes are delivered at their centres and in over 150 pre-schools and creches around Ireland.

We are planning on having Chime in & Play visit our school regularly. Classes start at €6 per child per session, but vary based on class size.

Music Class Description

- Up to an hour of active fun promoting a love of music through song, dance, movement games and instruments.
- The children explore the building blocks of music. Rhythm patterns, musical form, beat and melody create neural connections that literally develop the brain.
- Classes are based on a musical theme that changes every few weeks. Our children will experience over 20 different musical themes each year such as Classical, Asian, African, Musicals and Holidays.
- Activities vary depending on the children's age, abilities, building memory, language and thinking skills.
